

7.3. Institutional distinctiveness

The Rayat Shikshan Sanstha, Satara celebrated its centenary year in 2018-19 and its motto, "Education through self-help is our motto." has been the guiding force behind all its activities. Education to deprived classes and economically weaker students has been remained one of the core objectives of the institution. On the verge of hundredth year, the institution has broadened its perspective with concentrating on sustainable development of students in all respects.

The college promotes gender equity and sensitivity through various gender equity promotion programmes. Several activities are conducted for the promotion of national values and communal harmony. The college also provides facilities for the differently abled and works extensively to engage with the local community through each of its departments. Environmental consciousness has been an integral component of the college activities. The college adopts the policy of 'Reduce, Recycle and Reuse' and especially the Sambhaji Nagar unit of the college has natural landscape that predominates the campus with a rich biodiversity of medicinal plants garden and flora and fauna.

Here, the form of exhibition has been chosen to illustrate one of the distinctive features of the college. The five departments that chose this form of exhibitions to visualize and realize their objectives were Commerce, Microbiology, Geography, BBA (Computer Application) and Phycology. Besides, the Short Term Courses Committee and Science Association have been using this form of exhibition for the period of more than a decade. These exhibitions do make the students acquaint with different skills scientific temple, modern software skills etc.

Department of Commerce organized exhibitions of charts and models based on the themes of bank structure, advanced banking systems like ATM, urban and rural development on 11/02/2019 Department of Microbiology organized Micro Fest exhibition on microorganisms on 10/01/2019 and Department of Geography organized Geo-Carnival on the occasion of Geography Week in month of January 2019. BBA (CA) department organized IT Fest that developed students' programming language. BBA (CA) department organized it on 22/01/2019 to 23/01/2019 .Short term courses and Science association exhibitions imbibed different skills and research aptitude in science respectively.
